Sir:

In response to office communication mailed 03/21/2006, please find enclosed a money order for \$60, to satisfy the late arrival of the prior reply to the Office Action of 2005. If this amount is not in agreement with your records, please clarify what added amount, if any, is required and I will supply it.

Finally, in regard to the proper status identifiers, are provided in the attached page. Note that the old claims have been canceled, and replaced with amended claims now numbered 19-33. Please note that status identifiers have already been provided in the earlier reply as penciled markings, which the office may have lost since it has not been acknowledged.
